

QUALITY POLICY

1. Standard Plant Hire Ltd provide high quality and reliable plant and machinery to the construction industry.
2. Every aspect of our business is focused on providing customers with a quality experience which extends well beyond the quality of machinery.
3. We have created processes that are regularly reviewed, to help us to consistently deliver this experience. When necessary, our processes will be updated to reflect the changing needs of our customers.
4. In addition, to help drive the business forward, we have set quality objectives to both monitor our performance, as well as help develop new services. These objectives will be measurable and documented.
5. We will ensure that what we do meets all regulatory, as well as voluntary requirements which help us stand out in a very competitive market.
6. Our aim and commitment is to continually strive to improve our quality management system so that we remain recognised as an innovative plant hire business.
